

# CIL GUIDANCE 2021

*Posted on September 14, 2021*

In this guide, Planning Insight have broken down the mechanics of Community Infrastructure Levy (CIL) into small digestible parts. Our simple steps and tips are set out below.

This document provides guidance to developers on how CIL operates. We also provide some useful hints and tips to mitigate risks and ensure the amount you pay is accurate.

Alongside this guide, we provide some examples of projects where CIL has been an important issue [here](#).
